RE: Docket DM14-284, Renewal of CEPS Registration for Town Square Energy, LLC

Dear Director:

Included with this letter is an updated bond for Town Square Energy, LLC, as part of our recent 2014 CEPS Renewal Registration.

PUC Staff had previously indicated that the bonding requirements for competitive suppliers in New Hampshire changed since our initial registration was approved. Our bonding company proposed revised language to the existing bond and this language was provided to PUC Staff via email prior to finalizing the attached document.

We believe that this evidence of financial security completes the required documentation for our 2014 CEPS Renewal package. If there is anything further that you require at this time, please don't hesitate to contact me directly at rmiller@townsquareenergy.com or 1-877-430-0093 ext 701.

Sincerely,

A handwritten signature in black ink, appearing to read "Randal Miller". The signature is fluid and cursive, with a large initial "R" and "M".

Randal Miller
President
Town Square Energy, LLC
