Re: *Metropolitan Telecommunications, Inc., of New Hampshire, d/b/a "MetTel"*
Switched Access

Dear Executive Director:

On June 8, 2015 MetTel filed revisions to the New Hampshire Switched Access tariff for effective date of July 1, 2015. These revisions are required by the Federal Communications Commission in its Report and Order in WC Docket Nos. 10-90, etc., FCC Release No. 11-161 issued November 18, 2011 ("the Order").

Subsequent to our original filing, MetTel has learned that Fairpoint has corrected its filing with the FCC. Enclosed please find an original and 7 copies of a corrected MetTel tariff page. An electronic version of this correction has also been emailed to executive.director@puc.nh.gov. MetTel respectfully requests an effective date of July 1, 2015.

An additional copy of this letter is also enclosed, to be date-stamped and returned in the postage pre-paid envelope provided.

Respectfully submitted,

/s/ Mariya Gelfond
