RE: TNCI Operating Company LLC, Tariff Advice Letter No. 2A

Dear Ms. Howland:

TNCI Operating Company LLC submits to the New Hampshire Public Utilities Commission ("Commission") an original and two (2) copies of amended revised Sheet Nos. 2 and 38 for incorporation into TNCI Operating Company LLC's ("TNCI OpCo") switched exchange access tariff, New Hampshire P.U.C. Tariff No. 3.

This submission is made to set the shared trunk port rate at parity with Fairpoint's amended interstate terminating shared trunk port rate. Fairpoint had amended this rate without the Company's knowledge just prior to TNCI OpCo's June 18, 2015 submission. The original issue and effective date remain unchanged.

Please acknowledge receipt of this filing by date-stamping and returning the additional copy of this transmittal letter in the self-addressed, postage-paid envelope provided for this purpose.

Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
