Dear. Mr. Richardson: as discussed due to my own hectic Court schedule in RI, MASS, I regret I am unable to attend the NH PUC at 10 am regarding LRWC, however if you would be so kind to provide this to PUC and staff as I only have my wifes Kindle to use this weeknight and cannot effectively cull all contacts at the PUC of this notice. Lastly I have reviewed the settlement proposal and attachments, although my IMPOA clients may have had some input should I have been able to Attend, overall they do not object to the substance of the proposal as provided as we did review the initial draft proposal of approximately 6 weeks ago, and this settlement fairly represents those discussions. Thanking you, it is hoped we have more opportunities to meet again in the future. Thanks for your professionalism exhibited throughout these lengthy proceedings to this office. I remain, Truly YOURS, Gary e. Blais
