SUBJECT: DM 15-283 Commercial and Industrial Energy Solutions, LLC
Application to Renew Registration as a Provider of Electric
Aggregation Service

TO: Commission
Debra Howland, Executive Director

On July 20, 2015, Commercial and Industrial Energy Solutions, LLC (C&I) filed an application to renew its registration as a provider of electric aggregation service. C&I's currently effective registration expires on August 1, 2015.

Staff has reviewed the application and has determined that the filing is complete. Staff noted that that, pursuant to Puc 2003.05(a), C&I's renewal application should have been filed at least 60 days prior to the expiration of the currently effective registration, on or before June 2, 2015. Because this is the first time C&I has been late with its submission to renew its registration for electric load aggregation, Staff recommends the Commission approve C&I's renewal application to provide electric load aggregation service, effective August 1, 2015, for a term of five years.
