2. Upon notice from Obligee of Principal's nonperformance of its obligations as a New Hampshire CEPS, or Principal's fraud or other violation of the laws, rules, decisions, and orders applicable to Principal's CEPS registration, the Surety shall be liable only for damages or amounts ordered by the Obligee to be paid by Principal, up to the penal sum of this bond and until the termination date of this bond.

- Nordic Energy Services, LLC was made aware of issues with our telemarketing script after customers complained to the ICC during the polar vortex about high prices. Nordic immediately ceased telemarketing in Illinois and worked collaboratively with the ICC staff to research and resolve the script issues and the parties have reached a settlement with the ICC staff. On February 25, 2015, the Illinois Commerce Commission initiated a docketed proceeding. After filing, the Illinois Citizens Utilities Board and the Office of the Illinois Attorney General intervened. On May 28, 2015, the Company, the Staff of the Illinois Commerce Commission, the Citizens Utilities Board, and the Office of the Illinois Attorney General filed a motion for approval of a settlement and entry of an agreed order requiring the Company to provide customers a minimum of \$310,800.00 in refunds or credits during the next 13 months. See ICC Case #15-0139. The agreed order was entered.
