Dear John:

The purpose of this letter is to inform you that the FY 2015 DWSRF Project Priority List has been finalized and that DWSRF funding is available for the following projects:

<u>Public Water System</u>	<u>Project Description</u>	<u>Project Amount</u>
Pennichuck Water Works	Distribution Main Replacement 2016	\$2,200,000
PEU-Gage Hill	Gage Hill Water Main Replacement	\$550,000
PEU-Locke Lake	Varney Road Area Water Main Replacement	\$1,650,000
Pittsfield Aqueduct Co.	Catamount Road Water Main Phase 2/3	\$440,000

The next step to move forward with project funding is to submit a final application. The documents are listed on the enclosed checklist and available on line at

<http://des.nh.gov/organization/divisions/water/dwgb/capacity/dwsrf.htm>

Funding for this project is available until June 1, 2016. However, we encourage you to move forward at this time to seek the authority to borrow. Please be advised that the current interest rates (enclosed) will be effective until October 2015, at which time they will be adjusted based on the prevailing market rate. From this point forward any non-construction work completed after the date of the public hearing (8/5/15) is eligible for reimbursement.

We ask that you keep us informed of progress made toward seeking the authority to borrow. Should your project not move forward, please contact us as soon as possible. If you have any questions, please contact me at 271-7017 or at [johnna.mckenna@des.nh.gov](mailto:johnna.mckenna@des.nh.gov).

Sincerely,

Johnna McKenna
