**Re: DT 16-534: Request for Adoption Under Section 252(i) of the Telecommunications Act of 1996**

Dear Ms. Howland:

On April 28, 2016 Northern New England Telephone Operations LLC d/b/a FairPoint Communications-NNE ("FairPoint") submitted a copy of an agreement executed between FairPoint and TDS MetroCom, LLC (the "Parties") adopting the terms of an Interconnection Agreement between FairPoint and YMAX Communications Corp. ("YMAX"). On May 4, 2016, Mr. Ladam notified FairPoint that the docket number referenced in the adoption letter and transmittal letter is not correct and that the underlying agreement the Parties adopted was approved by Secretarial Letter in docket DT 06-089. Mr. Ladam requested FairPoint submit a corrected filing referencing the correct docket number where the Commission approved the underlying FairPoint-YMAX interconnection agreement.

Enclosed for filing pursuant to Section 252(i) of the Telecommunications Act of 1996 is an original plus two paper copies and one electronic copy of a signed agreement between FairPoint and TDS Metrocom, LLC for adoption of the terms of the Interconnection Agreement between FairPoint (formerly Verizon) and YMAX, as such agreement exists on the date of the adoption letter after giving effect to operation of law. The FairPoint-YMAX interconnection agreement was approved by Secretarial Letter dated June 27, 2006 in Docket 06-089. The Parties respectfully request the New Hampshire Public Utilities Commission approve the adoption agreement as an effective agreement within the State of New Hampshire.

Please contact me with any questions or concerns.

Thank you.
