**Re: Docket No. DE 16-576; Electric Distribution Utilities
Development of New Alternative Net Metering Tariffs
Compliance Tariff Filing**

Dear Ms. Howland:

Order No. 25,972 (Dec. 21, 2016) approved an "Interim Alternative Net Metering Tariff," which will "continue the same terms and conditions of the existing standard tariff," and which will take effect on March 2, 2017. The order also directed the utilities to file "revised tariff pages confirming to this order."

By letter dated January 12, 2017, Liberty Utilities (Granite State Electric) Corp., notified the Commission that the Company's existing tariff language conforms to Order No. 25,972, and thus the Company did not believe that changes to this language were necessary to comply with the order. After further review and discussion with Staff, the Company decided to add tariff language that references Order No. 25,972 and that incorporates some of its provisions.

Therefore, enclosed please find an original and two copies of both the redlined and clean versions of First Revised Page 10 and Original Page 10A of the Company's tariff.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Sheehan".
