March 14, 2017

**Re: DE 16-576, Development of New Alternative Net Metering Tariffs and/or
Other Regulatory Mechanisms and Tariffs for Customer-Generators
Opportunity for Discovery at Prehearing Technical Session on March 16, 2017**

To the Parties:

A prehearing technical session in this proceeding is scheduled for Thursday, March 16, 2017, at 1:00 p.m., with the afternoon of Friday, March 17, 2017, held for continuation of the session, if necessary.

The Commission has determined there should be an opportunity for discovery regarding the issue of "instantaneous netting." This issue was addressed in the supplemental testimony filed on behalf of the Energy Future Coalition on March 10, 2017, but was not expressly addressed in parties' direct or rebuttal testimony.

The Commission has directed that time be reserved during the prehearing technical session for discovery questions and responses regarding that issue, with written responses to be issued within five calendar days thereafter.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".

Debra A. Howland
Executive Director
