SOUTH PACK SOLAR'S PETITION TO INTERVENE

South Pack Solar submits this Petition for Intervention in the above referenced docket, and states the following:

1. South Pack Solar is a New Hampshire sole proprietorship that provides its residential and commercial clients with site analysis, design, installation and maintenance of solar electric (PV) systems.
2. South Pack Solar has installed over 300 kw of PV (mainly in the Monadnock Region), has attained a high level of PV technology professional certification, technical-financial expertise as it relates to the technology, contracts with 10 local tradesman and maintains its office and warehouse in Peterborough, NH.
3. South Pack Solar actively participated in the recent legislative sessions as its resulting statutory modifications including this docket have a material effect on the ability of South Pack to serve the interests of its customers.
4. South Pack Solar is most interested in ensuring that the proceeding is fair to the interests of the very small solar consumer and will do its utmost to represent this view point in an orderly manner.

Therefore, South Pack Solar, respectfully requests that it be granted full intervenor status in this proceeding.

Regards,

Gregory Blake

Owner, South Pack Solar
