REVOLUTION ENERGY, LLC's PETITION TO INTERVENE

Revolution Energy, LLC ("Revolution") submits this Petition for Intervention in the above referenced docket pursuant to Puc 203.17 and RSA 541-A:32, and states the following:

1. Founded in 2008, Revolution is a New Hampshire limited liability company in good standing that performs renewable energy financing and consulting. Revolution designs, finances and operates solar photovoltaic, combined heat and power and solar thermal systems for institutional and private clients throughout New Hampshire and other New England states.
2. Revolution owns, operates and maintains several net metered solar projects in New Hampshire that are located at schools, municipal facilities and private businesses within the territory of Eversource and Unitil.
3. Since 2008, Revolution has worked on several policy efforts in New Hampshire related to solar deployment and net metering including but not limited to HB 1116, the legislation that called for this process.
4. Revolution remains the only company who has successfully worked with a Regulated Utility (Unitil) on a solar project under the auspices of NH RSA 374-G. (See, DE 09-137)

5. Revolution has offices in Madbury, New Hampshire.
6. Revolution is a developer *and* owner of several solar arrays that are net metered and performs consulting services advising other solar array owners. As such, Revolution has a direct, personal pecuniary interest in the development and implementation of new alternative net metering tariffs.
7. Revolution's participation in the proceeding is in the interest of justice and will not disrupt the orderly conduct of this proceeding, or delay the proceedings.

Therefore, Revolution Energy, LLC, respectfully requests that it be granted full intervenor status in this proceeding.

Respectfully submitted,
