Re: Docket No. DW 16-804 - Petition for Authorization for Temporary  
Emergency Connection with Wiggin Farm Homeowners Association  
Aquarion Water Company of New Hampshire, Inc.  
Status Update and Motion to Close Docket

Dear Ms. Howland:

Enclosed please find for filing, an original and six (6) copies of an appearance and Status Update and Motion to Close Docket. For the reasons provided in the motion, Aquarion Water Company of New Hampshire, Inc. believes it is premature to file a franchise petition, as was requested by the Commission in Order No. 25,938. In light of the passage of the emergency and disconnection of the temporary interconnection, the activity and authority that necessitated the opening of this docket has concluded. Accordingly, Aquarion believes it is appropriate to close this docket.

If you have any questions, please do not hesitate to contact me at (603) 219-4911 or at [mab@nhbrownlaw.com](mailto:mab@nhbrownlaw.com). Thank you in advance for your assistance with this filing.

Very Truly Yours,
