North American Energy Advisory  
Renewal of Registration to Provide Natural Gas Aggregation Service

**TO:** Commission  
Debra Howland, Executive Director

On August 19, 2016, Customer Acquisition Specialists of America Inc., dba North American Energy Advisory (Customer Acquisition) filed an application to renew its registration as a provider of natural gas aggregation service. Customer Acquisition also requested a waiver of Puc 3003.05(a) which requires a renewal application to be filed 60 days before the registration expiry date on October 5, 2016. Customer Acquisition's renewal application was due on or before August 7, 2016.

Staff has reviewed the application and has determined that the filing is complete. As this is the first time Customer Acquisition was late to file its renewal application, Staff recommends the Commission grant Customer Acquisition's waiver request this time only and approves its renewal application to provide natural gas aggregation service, effective from October 6, 2016, for a term of 5 years.
