Re: DE 16-813, New Hampshire Transmission, LLC - Petition for Approval of Financing

Dear Ms. Howland:

On behalf of New Hampshire Transmission, LLC ("NHT") I am submitting an original and 6 copies of this letter in response to a question from Staff and in order to further explain some of the documents that were filed with the Petition for Approval of Financing in this docket.

Exhibit 2 to the Petition for Approval of Financing filed with the Commission on September 1, 2016 contains documents pertaining to Endeavor Wind Holding, LLC ("Endeavor"), now known as New Hampshire Transmission, LLC. These documents were included in the filing to explain how New Hampshire Transmission, LLC was formed. As bates page 16 of the attachment to the Petition (a certificate from the Secretary of State in Delaware) indicates, Endeavor was formed on July 16, 2009 by filing a Certificate of Formation with the Delaware Secretary of State. On July 29, 2009 a certificate of amendment was filed with the Delaware Secretary of State changing the name from Endeavor to New England Transmission, LLC and then on August 11, 2009 a certificate of amendment was filed with the Delaware Secretary of State changing the name from New England Transmission, LLC to New Hampshire Transmission, LLC. The actual certificates of amendment are included on bates pages 18 and 19. As bates page 30 (a certificate from the Delaware Secretary of State dated July 7, 2016) indicates, NHT was duly formed under the laws of Delaware and is in good standing and has a legal existence.

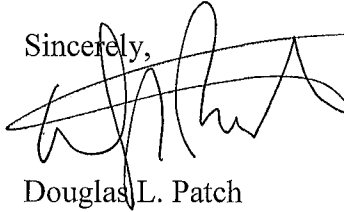

The Limited Liability Company Agreement that begins on bates page 20 reflects the original name of the entity now known as NHT. The Agreement was not amended to reflect the name change.

These documents were provided in an effort to make it clear when and how NHT was formed.

Please let me know if you have any questions.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'D. Patch', written over the word 'Sincerely,'.
