**SUBJECT:** DM 17-006 RexCal Energy LLC d/b/a Prism Energy Solutions  
Application to Renew Registration as a Provider of Electric  
Aggregation Service

**TO:** Commission  
Debra Howland, Executive Director

On January 9, 2017, RexCal Energy LLC d/b/a Prism Energy Solutions (RexCan Energy) filed an application to renew its registration as a provider of electric aggregation service. RexCal Energy's currently effective registration expires on February 23, 2017.

Staff has reviewed the application and has determined that the filing is complete. Staff noted that that, pursuant to Puc 2003.05(a), RexCal Energy's renewal application should have been filed at least 60 days prior to the expiration of the currently effective registration, on or before December 25, 2016. In its filing, RexCal Energy apologized for missing the initial renewal filing date and respectfully requested the Commission's consideration of its renewal filing. Staff recommends the Commission grant a waiver of Puc 2003.05(a) and approve RexCal Energy's renewal application to provide electric load aggregation service, effective February 23, 2017, for a term of five years.
