Re: DM 17-010, Sprague Operating Resources LLC  
Renewal Registration as a Competitive Natural Gas Supplier

Dear Mr. Bohan:

Sprague Operating Resources LLC (Sprague) is a competitive natural gas supplier (CNGS) registered with the Commission. On January 17, 2017, Sprague submitted an application to renew its CNGS registration. On February 21, 2017, Sprague filed a revised surety bond which meets the requirements of Puc 3003.03(a)(5). Commission Staff filed a memorandum on March 8, 2017, and recommended that the Commission approve the renewal.

The Commission has reviewed Sprague's application and Staff's recommendation. Its application meets the requirements for registration pursuant to N.H. Code Admin. Rules Puc 3003 and 3006.01. Therefore, the Commission will approve Sprague's application to renew its registration as a CNGS in the State of New Hampshire, with the registration to be effective on March 18, 2016, coinciding with the expiration of its current registration. This registration will expire either at the end of business on March 17, 2022 or upon the termination or expiration of the corporate guaranty, whichever occurs first. Accordingly, Sprague must submit a renewal application at least 60 days prior to the expiration of the approved registration period, on or before January 17, 2022.

Please be aware that registered CNGSs are subject to specific requirements contained in Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at: <http://puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,
