Re: Docket No. DW 17-017  
Pennichuck Water Works, Inc. - 2017 WICA Filing  
WICA Tariff Cancellation Pages

Dear Director Howland:

In Order No. 26,070, dated November 7, 2017, in Docket No. DW 16-806, the Commission approved a Step Increase for investments in capital made by Pennichuck Water Works, Inc. ("PWW") in 2016 in lieu of PWW's Water Infrastructure and Conservation Adjustment ("WICA") pilot. In light of this recovery mechanism, the Commission authorized the withdrawal of the WICA petition in the instant docket. The Commission also approve a Qualified Capital Project Adjustment Charge for the recovery of PWW's recover of capital investments beginning in 2017 and beyond eliminating PWW's need for the WICA pilot.

This filing is to effectuate that withdrawal and the closure of DW 17-017. Pursuant to N.H. Code Admin. R. Puc 1603.06(i), Pennichuck Water Works, Inc. hereby issues cancellation pages for its WICA: Fourth Revised Page 48, Fourth Revised Page 49, Fourth Revised Page 50, and Third Revised Page 51.

Pursuant to N.H. Code Admin. R. Puc 1603.03(a) and Puc 1603.05(b), an original and two copies of the track-change and clean tariffs are being provided. This filing is also being made electronically to the Commission and docket-related service list.
