SUBJECT: DT 17-138: Teleport Communications of America LLC Request for Waiver of Neustar Denial of Numbering Resources

TO: Commissioners
Debra Howland, Executive Director

CC: David Wiesner, Staff Attorney

On September 11, 2017, Teleport Communications of America LLC (AT&T) filed a petition asking the Commission to make a full code of 10,000 telephone numbers available by overturning Neustar's original decision to withhold the code.

Staff has discussed the request with AT&T and sought additional information regarding its customer's need for the number code.

AT&T has worked with its customer to more clearly quantify the need, and has now reported to Staff that the customer can proceed with its project without obtaining a full code or even a block of numbers at this time.

Consequently, AT&T is withdrawing the waiver request and this docket may be closed.
