Re: Northern Utilities, Inc., New Hampshire Division - Docket DG 17-144
Proposed Increase in Peaking Service Demand Charge

Dear Director Howland:

Enclosed please find an original and six (6) copies of Northern Utilities, Inc. ("Northern" or the "Company") proposed updated Peaking Service Demand Charge filing. Northern is submitting this filing in order to reflect an increase in its fixed demand costs for LNG supply.

Northern respectfully requests approval of Tariff Sheet Fifth Revised Page No. 153. This Tariff Page is issued January 29, 2018 to be effective on March 1, 2018. A red-line version of this Tariff Page is also enclosed. A detailed explanation of the reasons for the updated Peaking Service Demand Charge is provided in the enclosed Summary of Rate Revision. In addition, Northern has provided a table showing the calculation of the updated Peaking Service Demand Charge.

If you have any questions regarding this filing, please do not hesitate to contact me, George Simmons, or Christopher Kahl at (603)773-6425.

Very truly yours,

Patrick H. Taylor
