Registration to Provide Electric Aggregation Service**TO:** Commission  
Debra Howland, Executive Director

On October 25, 2017, Competitive Energy Services, LLC (Competitive Energy) filed an application to register as a provider of electric aggregation service. Competitive Energy's previous registration, which was approved under docket number DM 11-086, lapsed on May 11, 2016. Because the previous registration expired, Staff considers Competitive Energy's current filing an application for an initial registration.

Staff has reviewed the application and has determined that the filing is complete. Staff, therefore, recommends approval of Competitive Energy's application to register as a provider of electric aggregation service, effective on the date of the Commission's approval letter, for a term of 2 years.
