Re: Special Contract No. NHPUC-146, Westinghouse Electric Company, LLC

Dear Ms. Howland:

Enclosed for filing with the Commission, in accordance with the Commission's Rules and Regulations Puc 1606.02(a) and (b), is a copy of a signed original and three conformed copies of Special Contract No. NHPUC-146 between Public Service Company of New Hampshire d/b/a Eversource Energy (PSNH) and Westinghouse Electric Company, LLC (Westinghouse). This contract supersedes Contract No. NHPUC-145, which has been in effect since January 1, 2015 and expires December 31, 2017.

The proposed effective date of this Special Contract is January 1, 2018. Following the contract title page is a statement describing the special circumstances that justify the departure from PSNH's existing tariff. Also enclosed are the Testimony of Rhonda J Bisson which describes the proposed Special Contract between PSNH and Westinghouse and a written statement provided by Westinghouse confirming that the standard tariff rate applicable to Westinghouse will not serve its needs.

Please let us know if there are any questions concerning this filing.

Sincerely,

Matthew J. Fossum
Senior Counsel
