RE: Docket No. DE 18-023
Public Service Company of New Hampshire d/b/a Eversource Energy
2018 Stranded Cost Recovery Charge Rate Change –Mid-Year Adjustment

Response to Record Request

Dear Director Howland:

During the July 12, 2018 hearing in the above-captioned docket, Exhibit 12 was reserved for the production of a document in response to a record request of the Commissioners. Included with this letter is Public Service Company of New Hampshire d/b/a Eversource Energy's response. Accompanying this letter is a rate comparison exhibit similar to the first page of Exhibit 11. Rather than comparing the presently effective rates to those proposed for effect on August 1, 2018 as shown in Exhibit 11, the enclosed compares the rates in effect for customers on Eversource's Residential Rate R as of July 1, 2017 to those proposed for effect on August 1, 2018, as requested by the Commissioners. Eversource requests that this exhibit be entered into the record as Exhibit 12 in this proceeding.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
