Re: Conditional Approval Confirmation of Final Proposal 2018-164

Dear Commission Members:

At its meeting on March 15, 2019, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2018-164 of the Public Utilities Commission (Commission) containing Puc 3000, relative to competitive natural gas suppliers and aggregators. The Committee's approval was conditioned on amending Final Proposal 2018-164 as specified in the Commission's conditional approval request, received on March 14, 2019.

On March 28, 2019, our office received your written response indicating how Final Proposal 2018-164 was amended in accordance with the conditional approval. We have reviewed the explanation pursuant to RSA 541-A:13, V(a). We note that editorial changes were made in the conditional approval response to correspond with editorial comments made by Committee staff to the Final Proposal. Since these editorial changes do not affect the substance of the conditional approval, we have determined that Final Proposal 2018-164 has been amended in accordance with the conditional approval and RSA 541-A:13, V(a). Therefore, you may now adopt and file the rules in Final Proposal 2018-164, as amended.

If you have any questions concerning the provisions of RSA 541-A relative to objections, responses, or adoptions, please call me at 271-3680.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Morrell".
