Request for Change in Rates
Scrivener's Error in Order No. 26,528 (September 27, 2021)

To the Parties:

The Commission received the attached communication directly from Attorney Fossum regarding scrivener's errors in Order No. 26,528 (September 27, 2021). Although the other parties were not copied on the communication and it was not filed in the above-captioned docket, the Commission appreciates the effort to inform it of errors in the order and encourages all parties to do so upon identifying an error.

Nevertheless, all communications requesting Commission action related to a docketed matter must be made in that docket. Requests for Commission action should be made in writing and signed by the person authorized to make the filing. See N.H. Admin. R., Puc 202.01 and Puc 202.07. All written requests should be filed at ClerksOffice@puc.nh.gov and should identify the appropriate docket number or other pertinent subject matter. See Puc 202.06(a)(3).

Accordingly, the Commission thanks Attorney Fossum for notifying it of the scrivener's error, is posting the communication from Attorney Fossum in the above-captioned docket to ensure all parties are aware of the communication, and will separately issue an errata for Order No. 26,528.

Sincerely,

A handwritten signature in cursive script that reads "Dianne Martin".

Subject: RE: Order Issued in DE 19-057 PSNH d/b/a Eversource Energy

EXTERNAL: Do not open attachments or click on links unless you recognize and trust the sender.

Greetings. I'm not sure how to handle this, and so I thought I might start with a message to you. Earlier this week, we received the below message with Order No. 26,528. That order denied reconsideration of Order No. 26,504 (July 30, 2021). Near the end of Order No. 26,528 it rules on a request for clarification of the date of a change required in 26,504. That clarification says "The Commission's use of the phrase 'on a going forward basis' means 'as of the date of this order,' namely, as of July 13, 2021."

I'm not aware of any order issued on July 13, 2021 by the Commission and I suspect that the reference there is intended to be the date of Order No. 26,504 – July 30, 2021.

I would rather not have to file a motion for clarification on that issue, but I will if I need to. If you have any thoughts on the best way to obtain clarity or a correction that you can share, I would appreciate them. Thanks.

Matthew
