Re: DM 19-193, Agera Energy, LLC
Renewal Registration as a Competitive Natural Gas Supplier (CNGS)
Confirming Expiration of CNGS Registration

Dear Mr. Perrott:

On December 9, 2019, Agera Energy, LLC (Agera) filed an application to renew its registration as a competitive natural gas supplier (CNGS) in New Hampshire. On February 3, 2020, Agera filed a letter withdrawing its renewal application, noting that it had ceased serving natural gas customers as a CNGS and was not accepting new natural gas customers. Agera indicated its preference that its registration be permitted to expire without renewal as of February 4, 2020.

Commission Staff filed a memorandum on April 22, 2020, summarizing its review of Agera's filings and recommending that the Executive Director issue a secretarial letter confirming that Agera's CNGS registration expired without renewal effective as of February 4, 2020.

Accordingly, this letter confirms that Agera's registration as a CNGS in New Hampshire expired effective as of February 4, 2020.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".

Executive Director
