Re: DE 19-197, Electric and Natural Gas Utilities
Development of a Statewide, Multi-Use Online Energy Data Platform
Further Amendment to Procedural Schedule

To the Parties:

On November 13, 2020, Commission Staff (Staff), with the assent of the parties, requested the Commission to approve the following proposed revised procedural schedule:

Settlement Conference	November 30, 2020, at 1:00 p.m.
Set 4 Data Requests	December 4, 2020
Set 4 Discovery Responses	December 18, 2020
Technical Session/Settlement Conference	January 12, 2021, at 10:00 a.m.
Hearing	February 3, 2021, at 10:00 a.m.

Staff stated that the revised procedural schedule would allow the parties to delay the fourth set of discovery so that they can continue settlement discussions at the November 30 settlement conference. Staff noted that the procedural schedule in the above-captioned matter was previously amended by secretarial letters dated April 17, 2020, August 12, 2020, and September 9, 2020.

The Commission has determined that the proposed revised schedule is in the public interest and, therefore, has approved it.

Sincerely,

Debra A. Howland
Executive Director
