Re: DM 20-077, Cost Control Associates, Inc.
Application to Renew Registration as Provider of Natural Gas Aggregation Service

Dear Ms. Laake:

On May 13, 2020, Cost Control Associates, Inc. (Cost Control) submitted an application with the Commission to renew its registration as a provider of natural gas aggregation service.

Commission Staff (Staff) filed a memorandum on May 26, 2020, in which it confirmed its review of the application and its conclusion that the application meets the requirements for registration under N.H. Admin. R., Puc 3000. Staff recommended that a waiver be granted of the renewal application filing deadline under Puc 3003.06(a), and that Cost Control's registration renewal application be approved for a two-year term, beginning on May 15, 2020.

The Commission has approved Staff's recommendation, having found that the rule waiver would serve the public interest and not disrupt the orderly and efficient resolution of matters before the Commission, pursuant to Puc 201.05. Accordingly, the rule waiver has been granted, and Cost Control's application for registration is approved, effective as of May 15, 2020. The renewed registration is for a term of two years and expires at the close of business on May 15, 2022. Pursuant to Puc 3003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before March 16, 2022.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Admin. R., Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. Those rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,
