SUBJECT: DM 21-062, Summerview Energy, LLC
Application to Renew Registration as a Provider of Electric
Aggregation Service
REVISED Staff Recommendation

TO: Debra A. Howland, Executive Director

On March 22, 2021, Summerview Energy, LLC (Summerview) filed an application to renew its registration as a provider of electric aggregation service. Summerview's currently-effective registration runs through March 26, 2021.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Admin. R., Puc 2000. Staff notes that, pursuant to Puc 2003.06(a), Summerview's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before January 25, 2021. Staff recommends that a waiver of Puc 2003.06(a) be granted under Puc 201.05 and that Summerview's application to renew its registration as a provider of electric aggregation service be approved, effective as of March 26, 2021, for a term of two years.
