Procedural Order Re: Closing Docket

On April 28, 2022, the Commission issued Order No. 26,620 addressing the reconciliation of costs and revenues associated with Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty's (Liberty) 2021 vegetation management plan. Order No. 26,620 required Liberty to file a compliance tariff and the New Hampshire Department of Energy (DOE) to "file a recommendation regarding Liberty's compliance tariff within 15 days of Liberty's tariff filing." Although the DOE did not submit a recommendation after Liberty filed its compliance tariff on May 16, 2022, a review of this docket indicates that no further action by the Commission is necessary. Therefore, this docket is now closed.

So ordered, this fifth day of July, 2022.
