RE: Docket No. DE 22-034 - 2022 Transmission Cost Adjustment Mechanism
Public Service Company of New Hampshire d/b/a Eversource Energy
Responses to Commission Record Requests

Chair Goldner:

Enclosed for filing on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy are the responses to record requests 1-3 made by the Commissioners at the hearing on July 7, 2022. The Company sincerely apologizes for the seeming delay in this filing. It was just now discovered that while the responses were filed on July 15 as requested, they were inadvertently filed to the discovery service list for this docket, which does not include the Clerk's office email address and so the Commission did not receive them. Again, the Company apologizes for the delay, particularly given the time-sensitive nature of this docket.

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
