**Re: Electric Delivery Service Tariff NHPUC No. 10 Tariff Page Effective August 1, 2023
Default Energy Rate DE**

Dear Chair Goldner:

In compliance with the Commission's Order No. 26,851 issued on June 22, 2023 in Docket No. DE 23-043 (Order Approving Petition for August 1, 2023 to January 31, 2024 Rates), the following tariff page is transmitted herewith:

NHPUC No. 10 - Electricity Delivery
Public Service Company of New Hampshire dba Eversource Energy

7th Revised Page 87

Effective: August 1, 2023

This tariff page implements a decrease in PSNH's Default Energy Service charges effective August 1, 2023, as approved by the Commission in the Order.

A redlined tariff page denoting the changes was filed with the Commission on June 15, 2023. A redlined tariff page denoting the tariff changes effective August 1, 2023, and incorporating the authorization footnotes in compliance with the Commission's rules is included in this submittal for easy identification of the changes.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,

Scott R. Anderson
