Re: Request for Approval of Windham Community Power Plan

Dear Chairman Goldner,

Attached please find the Windham Community Power Plan for review and approval by the Commission pursuant to RSA 53-E:7. The Windham Community Power Plan was approved by the Windham Community Power Committee on January 4, 2024.

The plan is being submitted for Commission review and approval prior to being submitted to the Town's legislative body for approval as allowed under PUC 2204.01(a). Once the plan has been approved (or rejected) by the legislative body, majority vote at Windham Town Meeting and final approval by the Board of Selectmen, the Town will notify the Commission, Department of Energy, Office of the Consumer Advocate, and the distribution utilities serving Windham, [Eversource, Unitil, Liberty and the New Hampshire Electric Coop], of such final plan approval or rejection, as required under PUC 2204.01(g).

The municipal employee who is the official liaison for questions about the approved or revised plan and who is authorized to request information from utilities under these rules is: Brian McCarthy, Town Administrator, 3 North Lowell Road, Windham, NH 03087, 603-432-7732, townadmin@windhamnh.gov

The Town does not maintain a dedicated website outside the Community Power Committee page on the Town website: <https://www.windhamnh.gov/322/Local-Energy>. The Town will notify the Commission if such a website is created, as required under PUC 2203.01(e).
