Cast Iron/Bare Steel Replacement Program Results

**ORDER OF NOTICE**

On April 17, 2017, Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a Liberty Utilities (Liberty) filed with the Commission its fiscal year 2017 (April 1, 2016, to March 31, 2017) Cast Iron/Bare Steel (CIBS) Replacement Program Results. As a result of work completed in fiscal year 2017, Liberty seeks a permanent increase in its base distribution rates of \$694,182 effective July 1, 2017. The program results and request for a rate increase are filed pursuant to the settlement agreement in Docket No. DG 11-040 approved in *National Grid USA*, Order No. 25,370 (May 30, 2012). The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at <http://www.puc.nh.gov/Regulatory/Docketbk/2017/17-063.html>

Liberty's filing includes a report on actual cast iron/bare steel capital spending for fiscal year 2017, a request for a \$694,182 increase in the annual revenue requirement to be recovered through distribution rates effective July 1, 2017, and an explanation of variances from the fiscal year 2017 CIBS budget. Liberty calculated that the proposed revenue requirement increase would add \$2.83 to the \$1,078 total annual bill for a typical residential heating customer who uses 763 therms per year, a 0.26 percent increase.

The filing raises, *inter alia*, issues related to whether Liberty's filing conforms to the requirements of the pertinent settlement agreements, whether Liberty has appropriately

accounted for the costs of the CIBS replacement program, whether Liberty's CIBS-related forecasts, budgets, and actual expenditures are reasonable and appropriate, whether Liberty has applied appropriate cost-control methods to its CIBS replacement program planning and construction work, matters related to "road degradation" fees assessed by certain New Hampshire municipalities located in Liberty's service area, road-resurfacing related "carry-over" costs, potential improvements to the CIBS filing review process, and whether the resulting rates are just and reasonable as required by RSA 378:5 and RSA 378:8. Each party has the right to have an attorney represent the party at the party's own expense.

**Based upon the foregoing, it is hereby**

**ORDERED**, that Liberty, Staff of the Commission, and any intervenors hold a technical session at the premises of the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on May 11, 2017 at 10:00 a.m.; and it is

**FURTHER ORDERED**, that a hearing be held before the Commission located at 21 S. Fruit St., Suite 10, Concord, New Hampshire on June 19, 2017, at 1:00 p.m.; and it is

**FURTHER ORDERED**, that pursuant to N.H. Code Admin. privileges, immunities or other substantial interest may be affected by the proceeding, as required by N.H. Code Admin. Rules Puc 203.17 and RSA 541-A:32, I(b); and it is

**FURTHER ORDERED**, that any party objecting to a Petition to Intervene make said objection on or before May 11, 2017.

By order of the Public Utilities Commission of New Hampshire this twentieth day of April, 2017.
