Eversource Energy**

**ORDER OF NOTICE**

On June 29, 2017, Eversource Energy and Aquarion Water Company of New Hampshire, Inc. (Eversource and Aquarion, respectively, or collectively, the Companies) filed a joint petition pursuant to RSA 369:8 II and RSA 374:33 to approve the indirect acquisition of Aquarion by Eversource. On June 1, 2017, Eversource, as purchaser, and Macquarie Utilities Holdings, GP as seller, entered into a purchase and sale agreement by which Eversource will acquire all of the issued and outstanding stock of Macquarie Utilities, Inc. (MUI). The transaction will result in Eversource having ownership and control of MUI and its subsidiaries Aquarion Company, Aquarion Water Company and Aquarion. Aquarion is a New Hampshire corporation and public utility as defined by RSA 362:2. Aquarion serves approximately 9,500 customers in the Towns of Hampton, North Hampton and Rye, New Hampshire. Aquarion Company is a Delaware corporation and the parent company of Aquarion Water Company. Aquarion Water Company is a Connecticut corporation and the parent company of Aquarion.

Upon the satisfaction of all conditions for the closing, including approval by the Commission, Eversource will be the holding company and sole stockholder of MUI and MUI will be a wholly-owned subsidiary of Eversource. MUI will be renamed Eversource Aquarion

Holdings, Inc. and remain the holding company of the Aquarion subsidiaries. There will be no change in Aquarion's corporate structure. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at

<http://www.puc.nh.gov/Regulatory/Docketbk/2017/17-114.html>

The filing raises, *inter alia*, issues related to RSA 369:8, II(b)(1) which provides that Commission approval for the acquisition shall not be required if the Companies demonstrate "that the transaction will not adversely affect rates, terms, service, or operation of the public utility within this state" and RSA 374:33 which provides that no public utility or utility holding company shall directly or indirectly acquire more than 10 percent, or more of the stocks or bonds of any other public utility or public utility holding company doing business in this state "unless the commission finds that such acquisition is lawful, proper and in the public interest." Each party has the right to have an attorney represent the party at the party's own expense.
