Scheduling Stakeholder Working Group Organizational Meeting

To the Parties:

In Order No. 26,029 (June 23, 2017), the Commission directed that stakeholder working groups be convened within 60 days of the date of the Order to develop proposals for pilot program implementation, data collection and dissemination specifications and timing, and the scope and timeline for conducting a Value of Distributed Energy Resource Study, as described in more detail in the body of the Order.

Pursuant to the Order, an initial meeting of the stakeholder working groups shall be convened on August 16, 2017, at 1:00 p.m., at the Commission's offices.

The focus of the meeting will be on the organization and membership of the working groups and the development of a schedule for their meetings and an overall timeline for their review and evaluation of proposals for submission to the Commission. Any party in the proceeding may actively participate in the initial organizational meeting.

Sincerely,
