

**WITHDRAWAL OF REGISTRATION AS A TELECOMMUNICATIONS CARRIER  
 IN NEW HAMPSHIRE**

**Available for Voluntary Use by Registered Telecommunications Carriers**

A company which has voluntarily registered as a Telecommunications Carrier in New Hampshire may use this form to request that the Public Utilities Commission withdraw its registration and no longer list the company as an active provider of telecommunications services in New Hampshire. The request and withdrawal are available whether or not the company continues to offer telecommunications services in the state, for which no registration is required. A company whose registration is withdrawn may nonetheless be subject to assessments based on Voice over Internet Protocol (VoIP) revenue.

I certify that the company on whose behalf this application is submitted seeks to have its registration as a provider of telecommunications services in New Hampshire withdrawn. I am aware that said company may offer telecommunications services in New Hampshire without any such registration, and that a lack of registration may result in some inconvenience in asserting rights available to telecommunications carriers. I make this certification subject to the penalty for making unsworn false statements under RSA 641:3.
