2 CHAIRMAN GETZ: Good evening, everyone.
3 It's 7:15. We had set this public statement hearing to
4 begin at 7:00 p.m. And, at this point, it turns out that
5 there are no members of the public present this evening.
6 And, so, I'm going to forgo the lengthy background and
7 comments that both Chris and I make. But, I guess,
8 basically I'm just getting on the record and then there
9 will be a transcript posted on our website to indicate
10 that we did indeed publicize this event and come here, and
11 we're available to take public comment. And, unless
12 someone in the audience would like to speak, then we're
13 going to close the public statement hearing, and probably
14 hang round for another ten or fifteen minutes, to see if
15 anyone from the public does show up. And, at that time,
16 we will not reconvene the public hearing, but address
17 individually any questions or comments that someone from
18 the public may have.

19 So, I'll close the public statement
20 hearing at this point. Indicate that we will be leaving
21 the premises at 7:30 p.m. So, thank you everyone.

22 (Whereupon the hearing was closed at
23 7:19 p.m.)
