**RE: Northern New England Telephone Operations LLC d/b/a FairPoint
 Communications – NNE Performance Assurance Plan**

Dear Ms. Howland:

Northern New England Telephone Operations LLC d/b/a FairPoint Communications – NNE (“FairPoint Communications”) hereby files an original and two (2) disc copies of the October 2011 reports under the Performance Assurance Plan (“PAP”). The reports provide the preliminary and final credits calculated for October performance, and are marked as such. As described in the PAP, final credits owed for the October performance month are subject to adjustment based upon the previous two months’ performance.

Separate proprietary versions of the preliminary and final October 2011 PAP reports containing carrier-specific performance and bill credit calculations (which are used to allocate the credits among eligible CLECs) are being filed with the New Hampshire Public Utilities Commission and the Office of Consumer Advocate under separate cover.

Please contact me should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "R.P. Taylor". The signature is fluid and cursive, written over the printed name below.

Ryan Taylor
