NEW HAMPSHIRE PUBLIC UTILITIES COMMISSION  
CITY OF NASHUA'S PETITION FOR PURCHASING PENNICHUCK  
CORPORATION

**Docket No: DW 04-48**

PUBLIC INTEREST TESTIMONY  
OF  
BARBARA PRESSLY, SUPPORTIVE INTERVENOR  
FOR  
CITY OF NASHUA PURCHASING PENNICHUCK WATER  
SUBMITTED ON JANUARY 12, 2006

1. Please accept the testimony regarding public purpose filed early on April 20, 2005.
2. The most important portions of that filing are the two securities announcements attachments 6 and 7 of the filing of April 20, 2005.
3. Since that time it has been discovered that the investigation into the conduct of Pennichuck Corporation is not concluded. I had requested the supporting documents from the State Securities Division. Their formal reply states that the government continues to investigate the matter of Pennichuck Corporation. This continuing government investigation necessitates the supportive documents that I requested remain confidential. This secrecy suggests that other possible misdeeds are still to be revealed.

**SUMMARY**

The citizens and rate payers of Nashua and surrounding area deserve to know who is managing their water supply and be protected from unaccountable ownership. Only municipal ownership can assure this.

Re: Pennichuck Corp.

Dear Ms. Pressly:

Reference is made to your e-mail letter request received on 9/22/2005. The general policy of this office is to keep pending investigations confidential. As a general policy, requests to this office for information concerning a pending investigation made under the State's Right To Know Law, RSA 91-A, and the Securities Act RSA 421-B, are denied and the requesting person would have to obtain a court order for the information. Case law in this state supports a determination that information concerning a pending government investigation can remain confidential. It is my understanding and belief that the government continues to investigate this matter.

Keep in mind that this letter is not meant to provide any indication of our response to your request once the state's process has been completed.

Sincerely,

  
Jeffrey Spill  
Deputy Director

Dear Deputy Director Spill,

Thank you for your informative response to my request of 9/22/2005. It appears that your department has concluded your investigation of Pennichuck Corporation suggesting that any pending investigation must be with another arm of government. Please advise me what government agency continues to investigate so that I may inquire as to the status.

Thank you for your assistance.
