> **Access Charges- Phase II Refund Calculations**

Dear Ms. Howland and Attorney Moore:

Pursuant to Attorney Lynn Fabrizio's letter of November 5, 2008 and Commission's Secretarial letter dated January 14, 2009, enclosed please find a paper copy of a spreadsheet showing BayRing's calculations of the principal amounts of refunds and credits owed by Verizon. Please note that these calculations are exclusive of interest as that rate has not yet been determined by the Commission. Accordingly, BayRing reserves the right to supplement these calculations with the applicable interest rate once that information becomes available.

An electronic version of this spreadsheet is being forwarded to both of you by electronic mail in accordance with Attorney Fabrizio's letter. Pursuant to RSA 378:43, BayRing requests confidential treatment for both the enclosed filing as well as the electronic version of the spreadsheet. This information is confidential proprietary information which is not general public knowledge. Measures have been taken by BayRing to prevent dissemination of the information which pertains to the provision of competitive telecommunications services.

Please let me know if there are any questions about this information. Thank you.
