Re: Agency: State of NH Public Utilities Commission
Event: Public Statement Hearing: DW 06-094
Site: Winnacunnet High School
Date: September 11, 2006

This letter is intended to serve as a Certificate of Insurance for purposes of the State of NH – Public Utilities Commission’s participation in the above event being held at Winnacunnet High School in Hampton NH.

The State of New Hampshire does not maintain insurance coverage for liability resulting from the general operations of the Public Utilities Commission. Instead, the State has elected to self-insure for this exposure. Any liability incurred by the Public Utilities Commission arising out of this activity would be handled as a general obligation of the State.

Sincerely,

Valerie Hamilton, Administrator
Bureau of Risk Management
