Re: Aquarion Water Company of NH - PUC Docket #DW 06-094

Dear Ms. Howland:

This clarifies the role of our firm in this docket. Last week our firm filed an appearance on behalf of the Town of North Hampton. The Town of North Hampton is a municipal corporation duly organized under New Hampshire law. The North Hampton Water Commission is a constituent part of that municipal corporation.

Accordingly, our appearance on behalf of the Town of North Hampton signifies representation of the entire municipal corporation, including the North Hampton Water Commission. We have reviewed the daily docket filings and we understand that the Chairman of the Water Commission filed a Petition to Intervene. We are proceeding in this docket based on that Petition to Intervene.
