RE: DE 07-045 Briar Hydro Associates

Dear Intervenor Representatives:

Enclosed please find copies of materials found in Briar Hydro Associates files relating to the negotiation and drafting of the 1982 power sale agreement between New Hampshire Hydro Associates (Briar's predecessor-in-interest) and PSNH.

Also enclosed to each of you is a set of "Historical ISO New England Capacity Market Clearing Prices" for the period from April 1998 through November 2006, showing data from the ISO-NE web site.

The most relevant parts of these documents were provided informally to Gerry Eaton last week. The enclosures represent everything Briar Hydro has been able to find in its files.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Howard M. Moffett'.
