Re: DRM 08-004 (Proposed Rulemaking/Puc 1300 Utility Pole Attachments – Regular Rule)

Dear Ms. Howland:

Enclosed for filing, on behalf of eight New Hampshire incumbent local exchange carriers who are members of the New Hampshire Telephone Association, are an original and eight (8) written copies of the "Comments on the Final Proposed Rule Submitted by Eight ILEC Members of the New Hampshire Telephone Association." The Comments are submitted pursuant to RSA 541-A:11, I & VIII, in response to the Public Utilities Commission's request for comments on a possible rulemaking regarding utility pole attachments.

An electronic copy of the foregoing document has been delivered separately to you, the Staff and interested persons. I have also included an extra written copy of the attached document. Would you kindly date-stamp the extra copy and return it to me in the enclosed self-addressed, postage-prepaid envelope?

Thank you for your attention to this matter. Please let me know if you have any questions.

Very truly yours,

Paul J. Phillips
Encls.
