Re: **EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
Docket DG 08-009**

Dear Ms. Howland:

I am writing in follow up to National Grid NH's February 25, 2008 rate case filing. The testimony of Paul Moul (both hard copy and electronic) that was submitted as part of the filing inadvertently was missing pages 6 and 17. I am enclosing an original and six copies of those pages to be inserted in Mr. Moul's testimony, which is contained in Volume 1, tab 8. I am also enclosing a new CD Rom containing the Company's filing with a corrected version of Mr. Moul's testimony. The CD also contains an updated version of Mr. Goble's Lead Lag Testimony as page 12 of the electronic version of that document was missing.

I appreciate your assistance with this and would be glad to answer any questions you may have.

Very truly yours,

Sarah B. Knowlton
