Re: DG 08-009, EnergyNorth Natural Gas, Inc. d/b/a National Grid NH
Notice of Intent to File Rate Schedules
Clarification of Order No. 24,972 (May 29, 2009)

Dear Mr. Camerino:

Your letter filed on June 12, 2009 requested a clarification of the second ordered paragraph providing that "permanent rates in accordance with this Order commence on July 1, 2009 on a service-rendered basis." In particular, you asked the Commission to confirm that this language was intended to direct National Grid NH to implement the authorized rate changes on and after July 1, 2009 but that the rate change would be effective with regard to service rendered on and after August 24, 2008, consistent with the order on temporary rates, Order No. 24,888 (August 18, 2008).

This will confirm that your understanding of the second ordered paragraph is correct.

Sincerely,

A handwritten signature in cursive script, appearing to read "Debra A. Howland".
