Re: Pinetree Power, Inc. Application for Class III Generator Certification

Dear Secretary Howland:

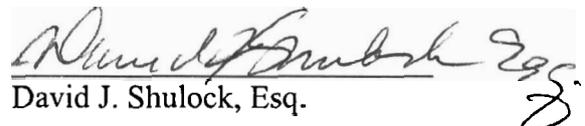

Please accept the enclosed application for Class III generator certification under RSA 362-F:11 and PUC Interim Rule part 2500 for the Pinetree Power, Inc. biomass-fueled electric generation facility located in Bethlehem, New Hampshire. The enclosed application addresses each of the eligibility criteria listed in RSA 362-F:11 and the application criteria in PUC Interim Rule part 2500.

Pinetree Power, Inc. respectfully requests that the Commission conditionally certify its facility as a Class III generator, and designate the facility as eligible pursuant to RSA 362-F:6, III upon receipt of the necessary emission information from the Department of Environmental Services.

An original and seven copies are enclosed, and filing will be made electronically this same day. An electronic copy has been provided to Meredith Hatfield, Office of Consumer Advocate.

Please direct any inquiries to my attention.

Respectfully submitted,
Pinetree Power, Inc.
By its attorneys:

David J. Shulock, Esq.
