Subject: DG 08-045: Cost of Gas Adjustment Monthly Reconciliation, August 2008

Dear Ms. Howland:

In accordance with the Commission's Order No. 24,882, enclosed is an original copy of the monthly calculation of the projected –over/under collection for the 2008 summer period.

The computations are based on actual costs and revenues through July and forecasts for the remainder of the period. The calculations indicate a projected over-collection through October 31, 2008 of \$48,572 and would necessitate a \$0.5248 decrease to the current Cost of Gas Rate of \$2.8318, resulting in a revised COG Rate of \$2.3070 per therm. At this time, the Company elects to implement the revised rate of \$2.3070 per therm for the September 1st billing cycle.

Included in this package is an original copy of New Hampshire Gas Corporation's tariff page in compliance with the New Hampshire Public Utilities Commission's Order No. 24,882 – Order Approving Cost of Gas Rate, issued July 31, 2008.

Thirty-seventh Revised Page 25 NHPUC No. 1 – Gas

This document is also being sent to Ms. Meredith Hatfield of the Consumer Advocates Office in accordance with NHPUC rule 202.07 (a)(4).
