Re: Transmission Cost Adjustment Mechanism
Docket No. DE 08-069

Dear Ms. Howland:

Enclosed please find seven copies of a Prepared Technical Statement of Robert A. Baumann and Stephen R. Hall (Technical Statement). This Technical Statement supplements Exhibits 4 and 5 which were filed with the Commission on June 16, 2008. The Technical Statement describes the effect of incorporating actual Local Network Service (LNS) data on the information supplied in Exhibit 4 and describes an adjustment to Rate B class contribution to system peak for the month of May which adjusted Exhibit 5 results.

Public Service Company of New Hampshire (PSNH) has not changed its request for an average Transmission Cost Adjustment Mechanism rate of 0.935 cents/kWh. On June 17, 2008, the Office of Consumer Advocate (OCA), the Commission's Staff and PSNH conducted a teleconference discussing this proceeding and the data submitted in the other proceedings since the hearings were held on June 11, 2008. The OCA and Staff do not object to the filing of this Technical Statement.

Copies of this letter and the enclosures have been provided to the persons on the attached service list pursuant to NH Code Admin. Rule §203.11.

Sincerely,

Gerald M. Eaton
Senior Counsel
